CREATING CONFIDENT CAREGIVERS

Testimonial

"After the first class, I felt a weight had been lifted. I learned so much. It's helpful to know what I'm experiencing is normal and I'm not alone."

What's in It for You?

Learn about:

- Dementia and its effects on the brain
- Caregiver resources
- Managing behaviors
- Improving caregiving skills
- How to handle everyday activities more easily
- Taking care of yourself to better care for your loved one

About the program

Creating Confident Caregivers utilizes the Savvy Caregiver Program, a university tested program for family members caring for a loved one with dementia at home. Two hour sessions are held once a week for six weeks and lead by dementia care specialists. This program provides participants with information, skills and attitudes to manage stress and increase effective caregiving skills.

Free Respite Care

Care for your family member with memory loss can be provided free of charge so you may attend the class sessions.
